FIFTEEN CENTS

## Sponsors sought for Antioch Arts and Crafts

Making a purchase award from the annual Antioch Arts, Crafts and Antique Show Sunday, July 13, is a great way of enhancing the beauty of your home and demonstrating interest and support of local art.

Antioch residents and business firms are being encouraged to obtain purchase awards to support the show being sponsored by the Antioch Chamber of Commerce and Industry.

The awards are available in denominations of \$25 each at the downtown Chamber of Commerce office. Information is available by calling 395-2233.

"Every cent going toward purchase awards enhances the prestige of our show," declared William Schroeder, chairman.

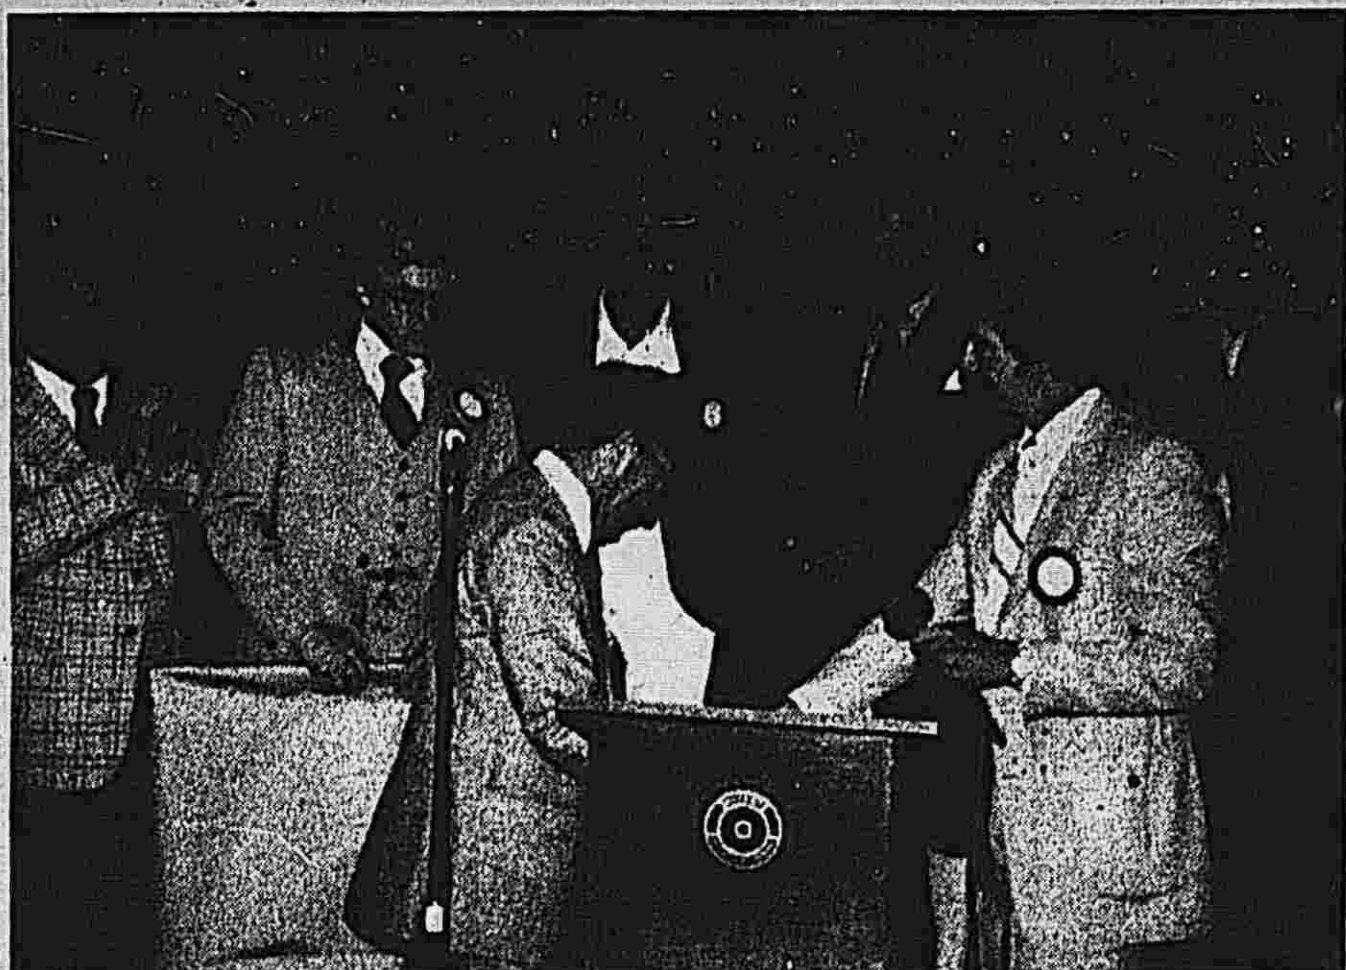

Advance purchase awards attract good artists to Antioch.

The awards are guarantees to the artists that their works will be sold, the chairman stated.

"With purchase awards we are telling the artists that we believe in original art and that we support local art shows," declared Schroeder, who is publisher of The Antioch News.

Individuals and businesses making purchase awards select the piece of art of their choice the day of the show, completing the transaction on the spot. Artists turn in purchase award certificates for each cash at the end of the day. The Chamber office is a go-between.

The Antioch show has grown to be the largest of its kind between Chicago and Milwaukee.

**ROTARY HOLDS INSTALLATION** — Antioch's Rotary Club held the dinner for the installation of their new officers at Harbor Ridge Country Club, Tuesday, June 17. From left, retiring officers, Steve Williams, Tom Kelly, Homer White, David McMurray and Vinc Patla. Left front, Altman Turner turning gavel over to new president, Dennis Johnson.

## St. Therese's satellite to open

On July 1, 1980, St. Therese Hospital of Waukegan will officially open its emergency satellite in Lake Villa on Route 59 at 37809 West Grand Avenue.

Dedication ceremonies will be held at 2:00 p.m. on June 29, 1980, with reverend Monsignor Harry C. Koenig, S.T.D., Director of the Cardinal Stritch Retreat House, officiating.

On Monday, June 30, from 10 a.m. to 5 p.m., there will be an "open house" during which time, the public is invited to visit the new emergency satellite and participate in a free blood pressure screening that will be offered.

Named "S.T.A.T.S." for St. Therese Area Trauma Satellite, the outreach facility is designed to provide around-the-clock emergency medical treatment and offer stabilization point for victims of injury or trauma prior to transporting them to a hospital or health care facility of their own or physicians' choice. S.T.A.T.S. will also provide a place where those with minor emergencies and non-critical patients can be treated and released.

The satellite will be staffed by physicians from the Northern Illinois Emergency Physicians (NIEP), a group of doctors with

medical expertise in administering to the victims of trauma. They have staffed the emergency room at St. Therese Hospital since 1974 and are members of the American College of Emergency Physicians. Nurses, technicians and other medical support personnel are from regular hospital staff at St. Therese's emergency room.

S.T.A.T.S. facilities include four emergency treatment rooms, two examination rooms, a clinical laboratory and x-ray unit. Health education and public service programs will be presented in the satellite's community room, like free blood pressure screening, cardio-pulmonary resuscitation training, and health information seminars similar to those currently offered at the hospital.

### SPECIAL SECTION

You'll want to be sure and read the special insert in this week's edition devoted to the opening of the new St. Therese Area Trauma Satellite (STATS). The section explains STATS' facilities, staffing, public service program and pinpoints the location of this new medical facility serving the Lakeland area.

## AHS okays French student

The Antioch High School Board of Education approved the Antioch Rotary Club's request for exchange student Emmanuelle Humbert from France, sponsored by the club to attend Antioch Community High School for the 1980-81 school year.

Also approved were student teaching assignments for Karen Magdech for summer school and Debra Kelly and Paul Petty for the fall semester.

The firm of Larson and Gantar were reappointed as school attorneys. Kenneth Wierschem was reappointed as school treasurer.

The budget committee composed of board members Charles J. Forster and Frank W. Walsh, Jr., plus Business Manager Kenneth C. Wierschem will prepare the tentative budget for review at the regular August or September meeting.

### Good news in The News

Don't forget Family Night, on June 26, at Williams Park, sponsored by the Antioch Parks and Recreation Department.

Help stretch that paycheck, take advantage of the bargains listed in the Shopping Bag on page 12.

Time to register for the cooking class starting July 7 at the Ole Fire Station. The cost is only \$20 and the lessons run for two weeks, from 10 a.m. to noon. The classes are open to children from 7-12.

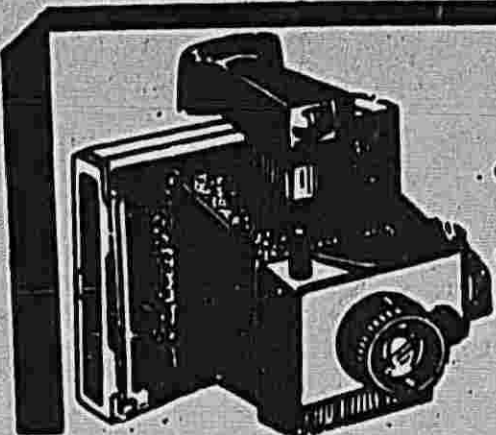

Remember how things used to be in Antioch? See the Time Machine on page 5.

**REPUBLICANS** — New officers elected June 18 by Antioch Township Republican Club are, from left, Bill Georgeson, president; Lillian Golonka, vice-president; Frank Johnson, second vice president; Jim Mirek, treasurer; Glenda Tomaschik,

assistant treasurer; Nancy Mirek, recording secretary; Dennis Dyer, corresponding secretary; and Ed Haley, sergeant-at-arms. Outgoing president Frank Johnson reminds members to drop off donated doorprizes for golf outing at township office.

## Kamera Kwestions

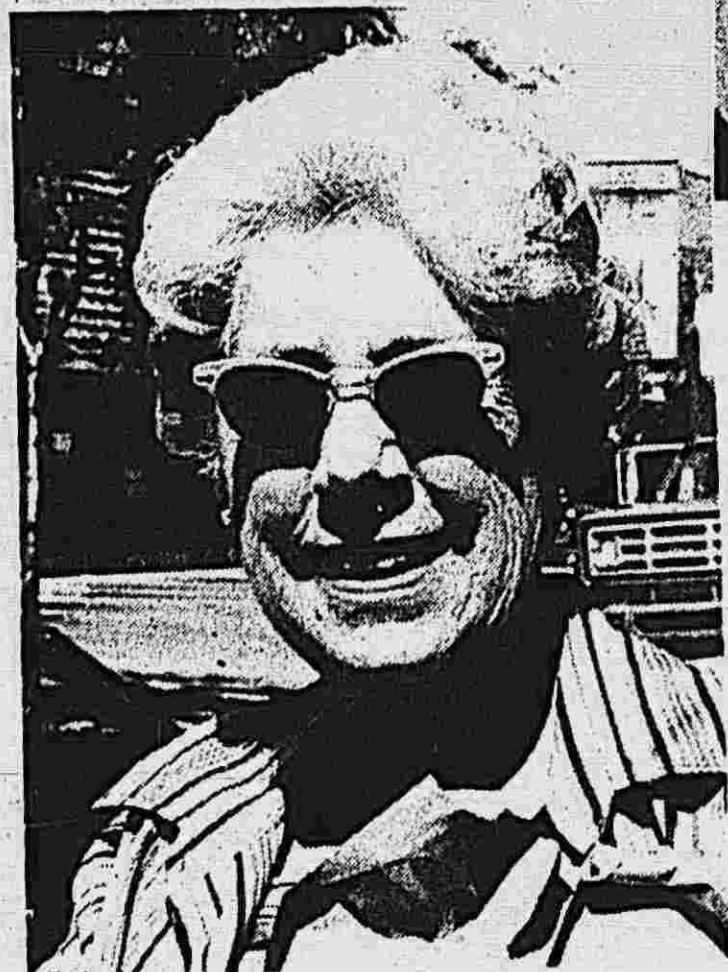

By Gloria Davis

**QUESTION: WHAT'S YOUR SUGGESTION FOR CURBING INFLATION AND FIGHTING THE EVER RISING COST OF LIVING?**

**LOU CRAWFORD**, "I hate to see controls, but people will have to be more careful in the way they extend themselves. Everyone's been too free with credit and now we'll have to tighten our belts."

**LOUISE JOHNSON**, "Try living within your budget."

**MAE KUBS**, "We can fight inflation by reducing wages but until the unions stop asking for more money, wages won't go down. When wages go down so will prices."

## Baseball scheduling changes

The Antioch Parks and Recreation Dept. announced a change in procedure of baseball diamond scheduling effective June 26th.

All persons using any baseball diamond must have a permit issued by the park department. This will be strictly enforced and without a permit one will be forced to leave.

**THE PERMITS** can be issued at the Park Office, at 874 Main St. next to the Village Hall. If there are any questions call 395-2160 for more information.

There have been some problems that have been brought to our attention and we wish the public to be informed of certain laws that

will also be strictly enforced and if one sees any problems to notify the Antioch Police Department.

A STATE LAW prohibits alcoholic beverages on school premises and litter being left on the lawns prove this law is being disregarded. Again the Antioch Police Dept. asks for your cooperation as a citizen in reporting such actions.

Dogs have also been seen

on the school grounds and again there are no dogs allowed on park property.

**LITTLE LEAGUE** has been informed of a 10:30 curfew on the Little League lights. This will help in enforcing the 10:30 curfew on anyone under 16 without his parents.

We hope this information will help everyone have a safe, fun, and very happy summer.

If you want your wife to keep her girlish figure, don't tell her she's worth her weight in gold.

## Optometrists to elect Bucar secretary-treasurer

Dr. Albert A. Bucar of Antioch, has been nominated for the office of secretary-treasurer of the American Optometric Assn. by the Illinois Optometric Assn.

Dr. Bucar currently serves as a trustee of the American Optometric Assn. He was elected a trustee in New Orleans in 1978. Prior to election to national office he served as chairman of the American Optometric Assn. Public Health and Optometric Care Committee and as a member of the Community Health Division Executive Committee. As a board member, he has served as liaison trustee to the Primary Care Division and, this year, as the association's representative to the National High Blood Pressure Coordinating Committee.

Dr. Bucar also serves as a member of the board of directors of the International Library, Archives and Museum of Optometry in St. Louis and is a fellow in the American Academy of Optometry.

Active within his community and his profession, he has served on the Illinois College of Optometry staff

as an instructor in clinical optometry, as a 10 year member of the Antioch High School board of education and, currently, as a member of the board of directors of the State Bank of Antioch and the Antioch Trust Company.

Named the Illinois Optometric Assn. "Optometrist of the Year" in 1970, he has served as chairman of the Illinois Health Care Licensure Commission, Advisory Committee to the Illinois Dept. of Public Aid, the Lake County Comprehensive Health Planning Agency, the Lake County Subaree Health Systems Agency and the Lake County Mental Health Society. He is currently a board member of the Kane-Lake-McHenry Health Systems Agency.

The Antioch practitioner organized the Illinois Optometric Assn. War on Poverty Committee and has worked with the Chicago Dept. of Public Health on optometric care in neighborhood health centers and with the Cook County Jail on a vision care program for jail inmates. In 1969-1970 he developed a survey and inspection of optometrists for

DR. ALBERT BUCAR

the department of registration and education, State of Illinois.

He is a member of the American Public Health Assn. and is active with the Antioch Lions Club Serving as its president in 1962. In 1975 he served as vice president of the Antioch Bicentennial Commission.

Election of officers and trustees will take place at the American Optometric Assn. 83rd Annual Congress in Denver, Colo., June 25 to July 2.

## Traffic crackdown for safety

The first week of Traffic Safety Month has shown encouraging results according to Mel Luke, chairman of the Lake County Safety Commission. The commission has requested all of the law enforcement agencies within Lake County to emphasize the enforcement of all posted speed limits within their jurisdiction.

These agencies include the Illinois State Police, Lake County Sheriffs Dept., and the municipal police departments through the Lake County Police Chiefs Assn.

Traffic citations issued during the week of June 1, 1980 to June 8, 1980 by the Lake County Sheriffs Dept. were up 250 percent over the same period in 1979. Likewise the Zion Police Depts. citations were up 100 percent, Winthrop Harbor up 60 percent, and the Illinois State Police up 10 percent. This shows an overall average increase of 105 percent for traffic citations issued by these four departments.

Other statistics released shows that the sheriffs office handled 171 accidents with

property damage in 1979 against only 70 in 1980 for this one week period. Also 39 personal injuries were reported in 1979 against 24 in 1980, and 6 fatalities in 1979

with 1 fatality in 1980.

If these statistics continue to improve, there can be no doubt, but that Lake County roads will be much safer for the traveling public.

## Get cash for trash

Would you like to turn in some of your old discarded materials for cash instead of just tossing them in the garbage can?

David S. Handelman of Mobile Metal Recycling is just the man you should see and he will be at Ace Hardware, right on Rt. 59 beginning this Tuesday, July 1, from 9 a.m. to noon.

"We'll pay for all acceptable material," says Handelman, referring to such household discards as

clean household foil, 100 percent aluminum cans, siding and gutters and old aluminum storm doors and cooking utensils.

Brass and copper items are also on Handelman's acceptable list that excludes material containing steel, glass, rubber or plastic.

"We're involved in the process of helping reeducate Americans and we'll pay them for their time and effort in conserving energy and natural resources," he stated.

## To The Editor

NEED WARNING  
Editor:

Saturday, June 14, was a perfect day to spend at Antioch Aqua Center. My daughter and her ten-year-old friend had made plans to meet in front of our house, near Whites Ice Cream Parlor, and then go to the pool.

All was very normal until I heard the scream of brakes and yelling coming from the front of my house. My heart started to pound and I ran out the door.

There was my daughter's girlfriend, surrounded by people and the driver of the car who had just struck her! (I knew she had to cross Rte. 83, by Whites.) I was sick by the time I held her in my arms to comfort her and assure her all was going to be fine.

Witnesses to the accident say they saw her fly in the air, hit the front hood of the car, get up and walk away. They said it was a miracle she was able to get up at all. Thank God the driver of the car had quick reflexes!

The little girl was not injured severely, a few scrapes and a minor cut to the leg. Her scars will heal and I'm sure she'll cross Rte. 83 by Whites again but will there be another time for some other youngster?

Anxious to get across Rte. 83 children do not think of safety. They may have their minds on Little League, going to the library, a cool swim or an ice cream cone only accessible to them if they get across Rte. 83, and many of them cross the west side of the street, across from Whites.

Some type of protection should be given our children before a tragedy occurs. Right now, not even a sign

warns motorists children are crossing!

Let us persuade the village to do something today at the dangerous "childrens" crossing!

Sheryl Perminas  
Antioch

TACO ANYONE-- Cooking class held in mornings at the Ole Fire Station, sponsored by the parks and recreation district, brought great enjoyment and full tummys to the children that took the class. From left,

"Serving the Lakes Region Since 1894"

## Names in the NEWS

Lisa L. Buck of Antioch, a senior majoring in art education, has been named to the Dean's List of the University of Wisconsin, La Crosse, for the second semester of the 1979-80 year.

Kimberly Korandó and Francis Scichowski, both of Antioch, have been named to the 1980 spring honor roll of the University of Oklahoma.

### INSPECTION

Grace Mary Stern, the County Clerk, announced Department of Corrections inspection report on the Lake County Jail is available for examination in her office.

## Along the way with ANNIE MAE

Well thank goodness the warm weather has finally caught up with the calendar! It's the first time in many years that I waited till the end of June before removing my snuggles and started getting my dotted Swiss and dimities all starched and ready to wear.

Another real sign that summer has arrived is the fact that our baseball leagues are already in full swing. And guess what? White's Ice Cream Parlor is again donating double dip certificates to the players. It seems each coach is given a certificate per game and he chooses the player he thinks deserves the award.

I also see that that cute little red head Susie Abderholden, who evidently isn't so little anymore, was awarded the degree of Master of Public Health from the University of Minnesota.

Susan was one of four students chosen to speak at the graduation ceremony.

Anyone who wants to take their life in their hands and sail the briny deep can contact Jack Fields who's just finished taking sailing lessons in Lake Geneva.

The congregation of the United Methodist Church had a pleasant surprise on Father's Day when Dr. and Mrs. DeWitt Baldwin, Rockville, Maryland, paid them a visit.

Mrs. Baldwin is the former Edna Aiken, oldest daughter of

Rev. E.J. Aiken, who served the Antioch Church from 1899 to 1904 and who supervised the building of the present sanctuary in 1901.

Even though she left Antioch when she was still a small child, Mrs. Baldwin recognized the church steeple as they came down Main St.

Everyone better get ready to hear the story about "the big one that got away," as soon as Harold and Howard Gaston, my old bosses at the Antioch News, return from their annual fishing trip up in Sesiconago, Canada.

They tell me that their cabin, on an island near Red Lake, is a beautiful and peaceful place to escape the modern day hub bub.

Bill Brook tells me that plans for one of his pet projects, the creation of an Antioch Historical Museum in the Old Antioch Grade School building, are progressing.

He also says that steps are being taken towards the future reorganization of the Antioch Historical Society.

I've been told that an extra special good time was had by all that attended the Rotary's dinner for the installation of its new officers at Harbor Ridge on June 17.

I was a little late, but I was in time to enjoy the unusual entertainment planned in honor of two couples visiting our fair village from Scotland.

Joseph Szuera, 12, played the bagpipes dressed in full Scottish regalia. Maybe Joe will be kind enough to answer that age old question for Annie Mae. What do they wear under those kilts?

As the evening progressed an awful lot of money went into the Rotary's treasury, as Jack Seigmeir, the club's official fine levier, lost his head and slapped fines on several of the members.

Bill Mendrala, who had given the invocation, was fined for giving a better invocation than Rev. Steve Williams.

When Seigmeir announced that the fine money would be used to send Williams to an invocation school, the majority of those present joined in an enthusiastic passing of the hat in a unanimous acclamation of this project.

Lee Ipsen was fined for wearing long pants to a meeting instead of his usual shorts.

Laddie Korecek got the gavel for proving that he had no taste by joining the Antioch Rotary Club and in turn, Seigmeir lost his head completely and fined the entire membership for letting Korecek into the club.

Dennis Johnson, the new Rotary president got slapped with a twofold fine. One for daring to show up for the installation and one for not admitting to being an accordion player.

## Channel Lake School unsold

The board meeting of the Antioch Community Consolidated School District 34 was held on Tuesday, June 17.

A discussion was held on the pending purchase of the Channel Lake School.

An auction was held on the school on Friday, June 20, but since no offer was equal to the minimally acceptable amount, no bids were accepted.

A discussion on the disposal of the school will be on the agenda of the next meeting on July 1, then a recommendation will be made to the Lake County Board of School Trustees who hold actual titles to all of Lake County's school property.

In further transactions, the board approved the summer curriculum projects in language arts, math, independent reading materials at many grade levels.

Superintendent Donald Skidmore gave an extensive report on the past year's student attendance which

showed that the overall attendance was 94.75 percent. This showed an average of nine days absence per child.

Although this figure is better than the national average, Skidmore said, "I'm still not satisfied with it and intend to stress better school attendance and less tardiness."

A report on staff attendance for the year was also given indicating a 6.6 percent absenteeism on their part.

The school district received a vocational education grant from the state of Illinois, federal funding distributed by the state, to purchase vocational education materials. The grant will allow an expenditure of \$1 per student.

Confirmation of another \$1,000 grant from the Illinois Council for Educational Improvement was also made.

The final motion approved by the board that evening, was the okaying of the expenditure of \$5400 to purchase additional equipment,

### GROWING

The average size of a U.S. farm increased from 427 acres in 1975 to 450 acres in 1979. The Agriculture Dept. expects another three acres will be added to the average in 1980.

shelves, cabinets, etc., for the Petty Building.

The next board meeting is scheduled for July 1. The second monthly meeting slated for July 15 was rescheduled for July 29 and will be devoted to the makeup of the preliminary budget for the board to act upon at the annual meeting.

Antioch Parks and Recreation Dept. announces new classes to be held at the Aqua Center.

A mothers and tot preschool session will be held the third session of lessons beginning July 14 for two weeks. The class begins at 12 until 12:45. The Mother will be permitted to enter the water with her preschooler and aid in teaching. The class will be taught by our lesson coordinator Winnie Sorensen.

**WHOPPER OF A WATERMELON** — Although these kids were due for a disappointment when they bit into it, the giant watermelon slice painted on wood by their mother Audrey Reeves, still made for a lot of fun for, from left, Mickey Fox, 10, Katie Fox, 6, Adam Reeves, 1½ and David Carlson, 8.

## New classes at Aqua Center

Anyone wanting to sign up for this class can sign up at the Aqua Center or at the Parks and Recreation office at 874 Main St. For more information call the office at 395-2160.

Signup for our lovely water ballet class that was not published in the summer programs that reached your homes for the second session beginning June 30. It will begin at 12:45 and run until 1:30.

If you have never seen a performance you must attend the family night at Williams Park on June 26 and see a beautiful show of grace, poise and artistic creations.

MARILYN SPIETZ has never disappointed an audience and puts a lot of time and work teaching the class.

Adult lessons will be offered at the Aqua Center beginning July 14 thru the

23rd, from 6 until 7 P.M. We must have a minimum of 8 people in order to hold the class. Fees for all of these classes are \$10.00 for members and \$15.00 for non-members of the Aqua Center.

**THE ANTIOCH AQUA CENTER** will begin new pool hours on weekends. They are changing the opening hours from 1:30 to noon, every Saturday and Sunday.

## Antioch Bowl hosts national finals

Antioch Bowl hosted the affiliate finals of the National Family Tournament on Saturday, June 7.

Twenty-six teams bowled with Antioch Bowl, Fair Haven Bowl, Mundelein Lanes, All-Star Lanes, Kristof's and Grand Bowl sending representatives.

The teams consisted of one youth bowler and one parent.

There were three divisions which included boy and girl prep; boy and girl junior; and boy and girl major.

First place team in each division will be qualified to advance to the Illinois State Finals at Strike at Reitsch's, Rockford, on July 12.

Antioch Bowl had eight teams entered and are happy to announce one team will

be advancing to the state finals.

Chip and Betty Davis won the Prep Division with a 1,270 total. Chip, who is 10, and carries a 109 average rolled games of 137, 179 and 129. His mother had games of 168, 186 and 145.

First place winner in the Junior Division was Darrell

and Murray Pollack from All-Star Lanes with a total of 1,218.

First place winner in the Major Division was Karl and Michelle Muno from Fair Haven Bowl with a total of 1,185.

Mark Maglio, Antioch Bowl, had high game of 218 and Mike Walczak, Antioch Bowl, had high series of 545.

A newspaper dedicated to people marching to their own drummers.

## The Time Machine

50 YEARS AGO: JUNE 28, 1930

The big Detroit-Gull glider, the latest thing in a motorless airplane arrived in Antioch Tuesday and the charter members of the local Glider club are enthusiastic in anticipation of the first demonstration to be given by an expert from the Mid-West Airways within the next few days.

Kenosha County officials today were continuing their investigation of the holdup and robbery which occurred Monday night at Phil's Place, a roadhouse just south of Trevor, where Phil Levandoski, the proprietor, was held up and robbed of \$89 in cash.

The dormant investigation of the slaying several months ago of a young woman whose charred torso was found in the ruins of a burned cottage at Deep Lake, again became the center of interest yesterday with the arrest of one suspect, and another being sought in connection with the murder. Max Weiner, 44 year old real estate dealer and former head of a butchers' labor union, was taken yesterday by policemen who were detailed to solve the mystery soon after the body of the murdered girl was found. Though the real motive of the torch murder has not determined, it was hinted at the time that the woman was killed in Chicago by gangsters and her arms, legs and front part of the skull were severed from the body by a butcher's cleaver. A set of keys found near the scene led to the raid on the butchers' union headquarters, Chicago.

Miss Dorothy Hughes has accepted a position in the office of the Antioch News. Miss Hughes was graduated from the Antioch Township High School and was valedictorian of her class.

Wallace "Stub" Murrie, an employee of the News, suffered a severely cut finger early today when a cycle he was sharpening slipped inflicting a deep wound.

30 YEARS AGO: JUNE 22, 1950

Mystery surrounded the finding of woman's clothing in a garage at Lake Catherine in an area where on June 12 screams of a woman were heard. Mrs. Ingles resides on the south shore of the lake reported to the sheriff's office that she found a woman's blue coat and a flowered dress in a basket of her family's clothing. A.J. Jirka, resident on the north shore reported that he had heard a woman screaming on the south shore at an early morning hour. A search revealed no crime had been committed.

Antioch's new roller skating rink will be known as "The Sequoia". This the winning name, was submitted by Mary Vos, daughter of Mr. and Mrs. Roman Vos of Antioch.

In honor of their grandson, William Thomas Madden who will be one year old today, and who lives in Burlingame, Calif., Mr. and Mrs. George Maypole are giving a kiddy party today at Sherry's Kiddy Park at Lake Villa. All children are welcome.

10 YEARS AGO: JUNE 25, 1970

Antioch High School has lost an appeal in the Second District Appellate Court in its long fight over whether a student has to have his hair cut in order to attend classes.

Early Monday morning Jeed will be leaving from Park Ridge with dozens of other foreign exchange students on a bus tour of some of the United States before departing in Mid-July for their homelands. Jeed was a student at Antioch High and lived with local families this past year.

Lake and McHenry County 4-H'ers were among nearly 1000 4-H members at the 1970 Illinois State 4-H Week program at the U of I. The Northeastern delegation included Rob Olson, Mundelein, Gail Elmgren, Lake Forest, and Alison Hevrdejs, Antioch. Sue Ross, McHenry County Extension advisor accompanied the group.

## Jaycees grateful for donations

The Antioch Jaycees would like to thank the residents of Antioch and the surrounding communities for their support of the Hiway-Hold-Up fund raiser that ran on June 20-21.

The project was a success due to the efforts of the Jaycee membership and two neighborhood banks.

Special thanks go to the State Bank of Antioch for their donation of candy that was distributed to the people making donations and to the First National Bank of Antioch and Sue Lindquist, for providing the facilities and the effort needed to count the donations of the residents.

ROTARY'S FUN AND FROLIC — Fun part of Rotary's installation dinner came when members passed cup to send Steve Williams to invocation school. From left, Dick Paddock, Bill Brook and Steve Williams.

# Yes, FIRST BANK does offer two high rate Certificates of Deposit!

### INSURANCE INFORMATION

To save gasoline money, I have just purchased a moped to ride to and from work. Will I need to have any insurance since it is not a high-powered bike?

Yes. You are still legally liable for your actions when riding the moped. If you should cause any damage to another person or someone else's property, you would be held accountable and forced to pay damages. The insurance will give you the needed protection against such liability. However, the cost of the insurance will be less for the moped as compared to insurance for a large motorcycle. The primary cost rating for bike insurance is based on weight, engine size and usage. A small, low-powered bike will require a much lower rate than larger, more powerful bikes.

## IMMEDIATE DENTURES

One of the cosmetic miracles of modern dentistry is the "immediate denture". These are constructed BEFORE all remaining natural teeth are removed and inserted as soon as the final teeth are extracted. Naturally, they will need some adjustments as your swollen gums recede back to normal, but it's a darn sight better than facing the public with no teeth while your dentures are being constructed in the laboratory.

In this procedure, impressions are taken with the teeth still in place and dentures are prepared. When the day of reckoning arrives, the teeth are extracted and your

"immediate dentures" are inserted at the same appointment.

Healing beneath the immediate denture is usually uneventful. One might expect pain to result from wearing a denture over an area from which teeth have been extracted, but just the opposite occurs. The immediate denture acts as a protective covering for the jaw as it is healing.

## THE Entertainer

### County Republican golfing set

Antioch Township Republican Club's annual golf outing is slated for Wednesday, September 10 at the Harbor-Ridge Country Club.

Mark your calendar for this exciting event! Festivities will include a Dinner-Dance and the famous Elephant award which was originated ten years ago by Mr. Harry Stern who was the Secretary of the Antioch Township Republican Club at that time.

This award recognizes the most outstanding individual in the Lake County Republican Party. Just to mention a few of the many

local people who have won the award in prior years are Bill Brook, Jack Hoogasian, Herb Horton, and Susan Metzler, ElRoy Anderson, Bill Murphy, all of whom have contributed outstanding efforts to the Republican Party. Who will it be this year?

### Names in the News

Sharon Subry, a graduating senior, from Antioch, was on the honor roll of Carmel High School during the second semester of the 79-80 school year.

40TH CLASS REUNION — Antioch High School's class of 1940 held their 40th reunion party at the Tower Room of the Antioch Bowl last Saturday. This was the third reunion held by the class.

### Kids Dog Show coming

Some 500 area youngsters aged four to 14, and their dogs will have their "day in the sun," when Kids Dog Shows come to Antioch this summer.

The activity is open to dogs of all shapes and sizes, regardless of pedigree. Everyone will be a winner. Merit ribbons will be awarded to each entrant, and local judges will give special recognition to the best-behaved dog, the funniest, the best trick dog, smallest, largest and best-looking.

It promises to be fun for all, and educational, too.

Every youngster will take home a free dog care booklet that presents the concepts of responsible pet ownership in an interesting, easy-to-understand way.

This event should present

many opportunities for human-interest coverage. Imagine 500 kids and dogs, laughing, learning and thoroughly enjoying themselves, and you have a good mental picture of Kids Dog Shows.

For more information on local times and dates, contact: Ardeen Harris, Rte. 1, Box 165, Antioch, Ill., 60002, Telephone: 395-2761.

The Kids Dog Show program is co-sponsored as a public service by the National Recreation and Park Association and Ken-L-Ration. It is expected that some half million youngsters and their dogs will participate nationwide during 1980, the sixth season for this popular recreation and education activity. For more background information on Kids Dog Shows, contact:

Donna Babecki, 444 N. Michigan Ave., Suite 1600, Chicago, Ill. 60611, Telephone: (312) 644-8600.

### Seniors hold meeting

The regular meeting of the Senior Citizens of the Pioneer Club, Richmond, Ill., was held Tuesday, June 17th at noon, at Hastings Memorial Temple.

Fifty-four members were present. The meeting was called to order by the President Prudence Eberhardt, and a prayer was offered by Violet Wild. Lunch of sandwiches and cakes were enjoyed.

The business meeting then was held by pledging allegiance to the flag, minutes of previous meeting was read and treasurer's report was given.

The president announced that there will be a Social Security Representative at the August 5th meeting.

### June 26 is family night

Family night has been planned for June 26th at Williams Park from 7:30 to 9:00 P.M.

The Parks and Recreation Department has planned an evening of family fun.

Egg throwing contest, Big Wheel Races (bring your own Big Wheels) 3 legged races, balloon throwing contest, and as an added feature the pool will put on a water show.

## Win A Prize When You Are Photographed

### Medics, Hahns are hot

### Sequoit summer leaguers pick up three victories

The Antioch High School summer baseball season is now in high gear as the Sequoits won three of their last five games to up their record to 3-5.

They are scheduled to host Maine North on Wednesday, June 25, before playing at Palatine against Fremd on Thursday, June 26, before hosting Arlington on Monday, June 30 and then going to Barrington on Tuesday, July 1.

"I'm very optimistic," said Coach Tom Baba. "I'm starting to see better pitching. We got three out of five wins and didn't use the same pitcher twice."

"IT'S THE same guys doing a nice job who have been doing a nice job all year," he said in reference to the spring season.

The Sequoits defeated Barrington 2-1 at Antioch on June 16.

Tim Koesser was the winning pitcher as he struck out four and walked none.

The Sequoits won the game with two runs in the bottom of the fourth inning after giving up a run in the top of the third.

MARK POMAZAK singled followed by Dan Johnson who doubled to put runners at second and third. Dean Haviland followed with a single which knocked in both runs.

Palatine and the Sequoits split in a doubleheader on June 17 at Antioch.

Antioch won the opener 2-1 behind the pitching of John Haling who earned the vic-

tory on the mound. The game went five innings so that the second game could still be played before darkness.

The Sequoits tied the game at 1-1 in the third inning. John Jackson singled and advanced to third when the third baseman charged in to far on Mark Williams sacrifice bunt. Haling then helped his own cause by singling home Jackson.

IN THE BOTTOM of the fifth, the Sequoits scored the winning run. Dan Johnson led off with a walk. Terry Dewar followed with a

fielder's choice as Palatine failed in getting Johnson at second.

John Jackson singled in Johnson with the winning run.

Two errors which allowed Palatine to score three runs cost Antioch the second game as they lost 4-1.

Roy Raven absorbed the pitching loss although he allowed just one earned run and six hits.

AT HERSEY on June 18, the Sequoits won 4-2.

Terry Dewar earned the victory on the mound as he struck out five and walked one.

A four-run fifth inning provided Antioch all they needed. With one out, Haling reached base on an error by the Hersey third baseman. Haling then stole second.

Danny Ropa walked. Dino Sisto grounded out advancing the runners to second and third, respectively.

POMAZAK SINGLED to score Haling and Ropa. Steve Sheedlo tripled scoring Pomazak. Dan Johnson singled to score Sheedlo for the fourth run.

The busy Antioch summer league schedule, coupled with illness to a couple of players, had the fifth starting pitcher going for the Sequoits on June 19 at Wheeling.

Wheeling proceeded to score in every inning of the five inning shortened game, with seven runs coming in the second and five in the fourth. Antioch lost 16-0.

Antioch Little League action found the Medics and Hahns each winning twice during the week's action.

The Medics opened the week with a narrow 8-7 win over Limmerick. Mark DeMerritt was the winning pitcher and Dean Elrod got the save. Tom Adams took the loss.

Trailing 7-4, Limmerick rallied in the bottom of the seventh, scoring three runs off a series of walks and errors, but the rally fell one run short.

Bill Carney's doubled scored DeMerritt in the first and Carney then scored on a single by Phil Raven. Back to back singles by Burkhardt and Elrod put them in a position to be batted in by DeMerritt later in the contest.

Carney had a triple to lead the Medic attack and Berchold and Carney had doubles while Les Zitkus, DeMerritt, Berchold, Raven, Scot Smith, Andy Burkhardt and Elrod had singles for the Medics.

Brad Herbst had a triple for Limmerick, Jerry Haling had a double and Herbst and Mike Gralis had singles. Medic ran up a 16-6 win over State Bank as Carney was the winning pitcher and John Silianoff the loser.

Raven and DeMerritt smacked triples for the winners and DeMerritt and Jeff Berchold had doubles.

Bob Waldon doubled for State Bank and Mark Kasik singled. Carney struck out 11 and walked 11 in winning the game.

For Hahns it was another strong day on the mound as they limited both of their opponents to single runs, defeating Advertiser 5-1 and

State Bank 3-1.

Andy Lehn tripled for Hahn's against the Advertiser and John Andre had a double for the losers.

Advertiser scored its lone run when Chuck Duha singled and scored on Andre's double.

Hahns scored in the first when Lehn tripled and scored on a single by Stan Dyer. Dyer and John Humphries scored on a single by Keyin Kovach, after stealing two bases. Jeff Johnson gave up only three hits and allowed two walks on the mound for Hahns. Derrick

Olson was the losing pitcher.

Against State Bank, it was Tony Evans who turned in the outstanding pitching performance, giving up only three hits and two walks.

Hahns went ahead in the top of the seventh when Andy Lehn and Evans scored on a double down the third base line. State Bank scored when Tom McLewan tripled to right field and scored on a single by Craig Prather. John Silianoff also singled for State Bank, and Stan Dyer, Joel Bissing, John Humphries, and Andy Lehn singled for Hahns.

### 14 strikeouts!!

The Advertiser won their second game of the year behind a 14 strikeout performance by Chuck Duha. Duha also had three assists and one put out from the mound.

In the first inning Ed Silva led off with a walk and was followed by Tony Besson who also walked. Chuck Duha then hit a ball over the leftfielder's head for a triple. Steve Nordstrom sacrificed

Duha home.

In the third inning Duha reached first base on a dropped third strike and scored on Nordstrom's ball to the shortstop.

Jim Wais contributed two hits. Carl Amundsen came on in relief for the Vault in the second inning and struck out 12 batters.

The final score was four to one.

**SHOOTS LOW GROSS** — Antioch Ladies Golf League played their second round at Harbor Ridge Country Club, on Tuesday, June 17. From left, Marge Recupido, Phyllis Bucar and Alvera Morgan watch Eileen Zannini tee off. Eileen shot a low gross of 56 that day. League is sponsored by the Antioch State Bank.

## Ladies' golf goes into second round

THE STATE BANK of Antioch Ladies' Golf League played its second round on June 17, 1980, at Harbor Ridge Country Club.

Team 3 is in first place with 11½ points. Joan Casey, Bev Reckers, Henrietta Albergo, Kay Costoff, and Mary Sterbenz are on Team 3.

**DELORES SCARPELLI**, Ginny Cornelius, Eileen Zannini, Alvera Morgan, and Jan Hagstrom put Team 8 in second place with 10½ points.

In third place with nine points are Barb White, Betty Mentone, Lou Vos, Anne St. Pierre, and Mary Hallett. They are the members of Team 5.

The division leaders are:

A — Joan Casey (6); B — Bev Reckers (14); C — Eileen Zannini (17); D — Shirley Wilton (22); E — Jean DeBoer and Mary Sterbenz (28); and Substitutes — Esther Jacobsen (22).

The weekly event was a low putting contest. The winner in A Division was Louise Santino with 15 putts.

In B Division, Bev Reckers won with 14 putts. Annette Lubkeman and Grace Colette ties in C Division with 15 putts.

Esther Jacobsen won with 18 putts in the D Division, and Jan Hagstrom with 18 putts won in the E Division.

The State Bank of Antioch Ladies' Golf League plays each Tuesday morning at Harbor Ridge Country Club.

## Forest Festival due in July

Donald Strenger, President, Lake County Forest Preserve District announces preparations for this year's Festival In The Forest.

Arts and artists, athletes and acrobatics, jazz and jamming, drama and dance, symphony and song are all part of the third annual "Festival In The Forest" sponsored by the Lake County Forest Preserve District and the Lake County Museum to be held on July 11, 12 and 13.

These three days have been officially proclaimed by the Lake County Forest Preserve Board "Festival In The Forest Days" in honor of the fine and performing artists of Lake County.

"Festival In The Forest" is tremendously impressive and staggering in its dimensions this year. The Forest Preserve District is proud to be a part of this event," said Helen Belmont Amendola, Chairman of the Education and Special Events Committee of the Forest Preserve.

"This three-day event brings together a host of talent providing the people of Lake County with the unique opportunity of sampling this variety of talent in a non-structured environment, The Lakewood Forest Preserve," she continued.

Friday July 11 has been designated as Kids 'N Art Day which offers free workshops in theater, puppet making and music. There will also be live performances throughout the day given by such groups as the Imagination Theater,

Highland Park and the Dy-Na-Mite Kids from the Village School of Folk Music, Deerfield. Reservations are not necessary and there is no fee for the programs but groups are asked to call Museum office (526-7878) with an estimated attendance figure.

Friday evening will be a blue grass, folk music concert provided by the Music Workshop, Libertyville.

Saturday and Sunday, July 12 and 13, beginning at 1:00 p.m., are free open-air performances that range from jazz, polka music, barbershop and theatrical renditions.

Among the sixteen groups performing are the Village School of Folk Music, Deerfield, Lake County Square Dancing Assn., barbershop provided by the Lake County Chapter S.P.E.B.S.Q.S.A., Great Lakes Anchormen eight-piece jazz band, Libertyville Community Band and the 40 piece Round Lake Community Band.

Refreshment sales will be provided by the Lake County Museum Assn. and the Waukegan Little Fort Lions Club.

On this year's schedule is a variety of sporting events, an art exhibit and a festival of one-act plays.

The Second Annual "Daniel Wright President's Award" will be searching for Lake County's best all-round male and female athlete. These athletes will be known after competing in four athletic events—cross country run, boat racing, running the Bruce Jenner Physical Fitness Trail and climbing a greased pole. A total points

system will be used to choose the winners.

The President's Award will be presented Saturday evening.

"The Kirk Players' Invitational One-Act Play Festival", coordinated by the Kirk Players of Mundelein, offers the Festival goer an opportunity to view the theatrical talents of four Lake County community theater groups, The Avon Players of Grayslake, PM and L Players of Antioch, Waukegan Community Players and the Kirk Players.

Each play will be critiqued and one will be awarded "The President's Award For Theatrics", Sunday evening.

The Second Annual Lake County Artists Exhibit, coordinated by Joan Robertson, Art curator for Kemper Insurance Companies will be exhibited in the Museum lobby and gallery.

"This exhibit reflects the diversity of Lake County art, the works range from realists figures, flowers and still-lives to colorful and delicate abstracts" says Robertson. Some artists exhibiting are Judith Roth, Highland Park, Ross Shellenberger, Libertyville and Dave Bridges of Lake Villa.

The Lakewood Forest Preserve and the Lake County Museum are located three and one-half miles east of Wauconda on Route 176 and Fairfield Road.

Come and enjoy the arts of Lake County in the beautiful Lakewood Forest Preserve. For further information, contact Dee Deacon at the Museum, 526-7878.

## Cadet survives mountain course

Staying alive in rugged mountain country under emergency conditions can be an ordeal, but it can be done if you know how. Cadet Eric Knackstedt, the son of Mr. and Mrs. Kenneth Knackstedt of Antioch along with 65 other teenage members of Civil Air Patrol (CAP), has been learning how in a rigorous survival training course in the Colorado mountains. The course ran from June 16 to June 21.

The cadets were chosen on the basis of their progress in CAP's cadet program and their proven leadership qualities. They also had to be in top physical condition because the course is the same survival training that is given to Air Force Academy cadets and is supervised by academy instructors.

The CAP cadets spent part of the week in a wilderness area, practicing what they had learned. This involved learning how to live off the land, studying cross-country navigation and communications, preparing food and learning how to improvise from materials at hand. Food preparation included learning how to smoke beef and make jerky and dining on rabbits and dandelions.

One day of the course was spent at the Air Force Academy where the CAP cadets learned the techniques of parachuting into water, how to make flotation devices, and the use of life rafts.

## Kids take capitol trip

Fifteen students from Antioch Upper Grade School visited Washington D.C. and Williamsburg, Va. on a four-day tour sponsored by David Booth.

This was the ninth annual trip hosted by Booth and he reports that over 350 Antioch area students have taken this tour in those years.

Students flew from O'Hare Field to Washington and had a full itinerary of sightseeing including visits to: the Capitol Building; the Supreme Court; the Library of Congress; Arlington National Cemetery; Mt. Vernon; Iwo Jima Marine Memorial; Colonial Williamsburg; the restored Jamestown Colony; the Jefferson, Lincoln and Washington Memorials; the White House; the Smithsonian complex; the Navy Museum; National Geographic headquarters; the National Cathedral; the National Zoo; Embassy Row; Georgetown; Ford's Theater; the National Archives.

The 19th anniversary trip is already being planned and is expected to be the biggest and best yet.

### PICNIC

Don't forget the 4th of July, we are having a Community picnic at Williams Park and the Miss Antioch Contest. A pie tasting contest, kissing booth and different contests. Please plan your 4th around us.

VISIT WASHINGTON-- Antioch Upper Grade School students visiting Washington were, from left, front, Lara Druktanis, Sanoy Skupien, Janet Ballenger, Beth Daniel, back row, Jim Wais, John Ruane, Brian

Lorenz, Pat Chavez, Kelly Giest, Pat Chavez, Kelly Geist, Paul Naurtz, David Booth, Chris Buxton, Tim Prinsing, Sean Mors, Bob Lyday, Glen Dyer and Jim Waid. Pupils found trip educational and enjoyable...

## Gail Fields: 'I'm liberated'

by GLORIA DAVIS

"Being able to do the things you want to do is the real meaning of liberation," says Gail Fields, wife of Antioch Township Supervisor Jim Fields.

The slim, taffy haired, natural beauty, went on to say that she believed in backing her husband in doing the things he wanted to do and in return he'd been very good about allowing her to do her own thing, point in question, her partnership with Cathy Haley in "The Old Attic", antique and gift shop.

**THOUGH BORN** in Chicago, Gail considers herself a local product, having moved to Lake Villa when she was six years old, graduating from Lake Villa Grade School, Antioch High School and attending Northern Illinois University, DeKalb.

She met Jim in 1965, when she was 19, while bowling with a league at the Antioch Bowl. The combination must have added up to a strike, since they were married six months later.

**THE FIELDS** boast of five children, all still at home except for Jody, 22, whose two year old daughter Erica has made them very young looking grandparents.

The rest of the Fields tribe is composed of Linda 21, Jack 19, Patti, 15 and Michael, 12.

Although Jim still works for John Teresi Chevrolet as a car salesman, his position as Antioch Township's supervisor and his candidacy for the Lake County Board, has made Gail a politician's wife.

On this subject, she is most enthusiastic.

"We've met wonderful people since Jim's

been involved in Lake County politics," she says.

"The kids really enjoyed meeting them too," she adds.

Since winning the primary was the first step into county politics, she thinks that push was probably the hardest and is looking forward to the acceleration of her husband's campaign for the November election.

**GAIL GIVES** a lot of the credit for the primary victory to the people that worked to see her husband elected.

"So many wonderful people did unbelievable things," she says.

"Jim loves this area so much," she continues, "He doesn't like to leave it even to go on vacation."

How does politicking affect their family life?

She admits that it does, since they are away a lot and she is basically an "at home person."

"We eat a lot of Kentucky fried chicken type meals," she laughs, "but the kids don't seem to mind."

"**THEY WORSHIP** their dad, he's the softie, I'm the disciplinarian."

Gail's love for antiques and refinishing furniture led her into her partnership with Cathy Haley in "The Old Attic," four years ago. Since their move to the new mall off of Main St., their specialization in silk flower arrangements has boomed.

The two words that best describe Gail Fields are neat and natural.

ANTIQUES ARE HER BAG -- Refinishing furniture and a love of antiques led Gail Fields into business with The Old Attic.--Photo by Gloria Davis

## A woman's place

### It's in the shopping bag

In an effort to keep your checkbook's balance above the line, why not take advantage of the money saving specials available at some of the local businesses?

Ace TV and Antenna Service is offering a whopping \$20 off the sale price of any console in stock. Be sure and bring this week's ad along.

For you sewers, Pin and Pleat is still offering 25 to 50 percent off of everything in the store.

Who doesn't love shrimp? We'll, Fisherman's Dream has a special on medium size shrimp at \$4.99 a pound. And I'd watch for their lobster special that's coming up.

They say that there's no free lunch but whoever said that, hasn't gone to the Yellow Brick Road where, by presenting a copy of their ad, you can get a free child's T-shirt with a purchase of \$10.

We made a visit to our favorite recycling place, the Mental Health's Thrift Shop and discovered a pair of matching green lamps for only \$8.50 apiece.

Again for you golfers, they have several cute golf skirts in all colors and sizes, ranging from only \$1 each.

Why not tee off next week in a darling pair of linen textured hot pink golf shoes, that is if

a size six and a half are comfortable.

The price is a comfortable one, \$3.

How about an orange teapot or a yellow and green 14 piece cannister and spice set for a mere \$6.50?

### Women plan ice cream social

An Ice Cream Social is planned by the Chain O' Lakes Branch of American Assn. of University Women for prospective members.

This treat will be held Tuesday, July 8, 7:30 p.m. at the Lake Villa Public Library, 1001 E. Grand, Lake Villa.

Any woman who has a degree from an accredited college or university is invited to join AAUW. The local branch of AAUW has about 40 members.

They will be meeting the 4th Thursday of each month at the Lake Villa Library starting in September. Call Betsy Peterson 356-6044 for more information.

## Does senility set in at 40?

by GLORIA DAVIS

They tell me that age is no measure of creativity and responsibility, but I'd just like to check a few things with my "over 40," contemporaries, those people who have reached the age where the same 39 candles serve the birthday scene every year.

**NOW HOLLYWOOD** tells us that life has just begun, and advertisements say that "we're not getting older, we're getting better."

Most of my friends have never looked sharper or more together. The gals have found their own mode of dress, makeup and the best hairstyle with which to crown the wealth of knowledge they have gained through the years.

A lot of the men have class and know how and have really accomplished.

Yet, just between you and me, do you ever wonder if it's safe for you to be loose without a keeper?

**I HAVE READ** that between the ages of 35 and 50, the mind loses about 20 percent of its capacity.

I sometimes feel that this is a vast underestimation.

Now, I can tell you important things like who played opposite Joan Crawford in Mildred Pierce, what you wore if you spent New Year's Eve with me ten years ago and what tv show Elvis made his first appearance on, but where I put this month's electric bill has completely slipped my mind.

Have you ever done something obviously brilliant and turned around and done something as dumb as putting your checkbook in the refrigerator, while tucking the ketchup bottle in your purse?

In fact, lately, whenever something is

missing, it turns up in the refrigerator whether or not it falls in the chill when opened category.

**JUST LAST WEEK** my husband asked for a cup of coffee with cream and stared at me stupidly as I handed him the cream pitcher. You guessed it the cup of coffee was in the refrigerator.

Now I've tried writing myself notes on everything, but is it normal to take an important notation on something to be done before driving out of town, pin it to your purse for a safety measure and then drive straight out of town, leaving your purse on the hall desk?

While you're driving down the highway, have you ever gotten that nagging feeling that you've forgotten something important and had your car come to a dead stop with that little needle pointing straight at E?

**PLEASE, LADIES,** tell me that everyone leaves a trail of sunglasses, keys and gloves strewn along the paths they have taken.

Tell me you all have, at some time or other, put something on the roof of your car while loading it, only to drive off with it waving in the breeze.

I wonder if Ripley's Believe It Or Not would accept a lemon meringue pie staying in place on my landau during a 20 mile drive?

I'd like to think that all these things are just signs of a busy mind, not a slipping one, so, with your permission, that next time that I'm at the post office and drop the mail I have just taken out of my box into the outgoing mailbox, because someone is talking to me, I'll adopt a "doesn't everyone do it attitude," and just pretend that that was my intention in the first place.

## Jaycettes will be at Art Fair

The Antioch Jaycettes are busy finishing their hand-made craft items for the upcoming Arts and Crafts Fair on July 13.

Chairman Tonna Dayton invites everyone to stop by their table to browse and to find out more about the Jaycette group.

The next meeting of the Antioch Jaycettes will be held on Monday, July 7 at 8 p.m. The group welcomes new members and guests at all of their meetings.

Anyone interested in attending this meeting should contact Jan Anderson, membership chairman, at 356-5376.

# Wedding

**MR. AND MRS. MARK ALEXANDER STEWART**

St. Peter's Church, Antioch, was the setting for the 11 a.m., May 24, wedding of Kathleen Denise Stagg, daughter of Mr. and Mrs. Parick J. Stagg of Lake Villa, and Mark Alexander Stewart, Salem, Wis. The groom's parents are Mr. and Mrs. Harry Stewart of Antioch.

Relatives from California, Oregon, Florida, Colorado, Michigan and Wisconsin attended the ceremony officiated by Rev. Francis Q. Kub.

Following the tradition set by her mother, the bride wore her great grandmother's wedding ring during the ceremony. The bride and groom couple decorating the wedding cake was the couple from the bride's grandparents' wedding cake.

Attired in an antique ivory couture gown with Victorian collar and sleeves, the bride also wore her mother's blue wedding garter. She had a circular mantilla of ivory lace and fresh baby's breath in her hair.

Patricia Boquist of Round Lake Park served as maid of honor. Bridesmaids were Laura Sampson, the bride's cousin, Candy Bailey and Lori Prudom. Sara Siegmeyer attended as flower girl.

Rodney Arion of Antioch was the best man. Quinn Stagg, the bride's brother, Timothy Stagg, the bride's brother, and Timothy Murphy attended as groomsmen. Serving as ushers were Michael Brady and Jim Peterson. The bride's uncle, Glen Stagg, was lector.

An afternoon reception was held at the Country Squire in Grayslake. The newlyweds toured Door County, Wis., for their honeymoon.

The bride, who attends College of Lake County in Grayslake, is employed with the Lake Villa Public Library. The groom is a carpenter/contractor.

## OWENS-MOLINARO WEDDING

The wedding of Susan Lynn Owens, Britt, Iowa and William E. Molinaro, Antioch, took place on May 24, 1980, at the First United Methodist Church, Kewanee, Illinois.

The bride is the daughter of Mr. and Mrs. Clarence Owens, Kewanee, a graduate of Kewanee High School and Illinois Wesleyan University. She is presently employed at Armour Foods, Britt, Iowa.

The groom is the son of Mrs. Arlene Molinaro, Antioch, a graduate of Antioch High School and Illinois Wesleyan University.

He is a member of the American Chemical Society, Green Medallion and Phi Kappa Phi.

Molinaro is presently employed at Argonne National Laboratories.

Presiding at the ceremony was the Rev. Larry Conrad. The bride, gowned in sheer white organza and lace was given away by her father, Clarence Owens, and attended by her maid of honor, Cindy James, La Grange, and her bridesmaids, Cathy Meurken, Iowa, Susan Yaeger, Villa Park, Melissa Owens, sister of the bride.

The best man was Carl Teishman, Bloomington and the groomsmen were Nathan Richmond, Kankakee, Gene Elston, Flanagan, Robert Van Hyfter, Atkinson.

Other members of the wedding party included the ushers, Robert Owens, brother of the bride, Wilmington, and Michael Hillery, cousin of the groom. The flower girl was Meagen Owens, Monmouth, cousin of the bride, and the ring bearer was Benjamin Meurken.

The reception was held at the church and the couple honeymooned in Door County, Wisconsin. They plan to reside in Woodridge, Ill.

**MR. AND MRS. WILLIAM MOLINARO**

**MR. AND MRS. RAYMOND TRUSKY**

The wedding of Rosline Scheske, Antioch, and Raymond J. Trusky, Winthrop Harbor, took place at the Congregational United Church of Christ in Arlington Heights, on May 17.

The bride, wearing a white nylon gown made by her mother, was given away by her parents. The gown was trimmed in a flocked lily of the valley and rosebud print.

The bride's attendants, wearing orchid and blue street length dresses, also made by the bride's mother, were Rosemary Scheske, maid of honor and sister of the bride, Mrs. Tod (Mary) Urban, Arlington Heights and Michelle Szat, Mundeline.

Larry Kornack, Racine, Wisconsin, was the best man and the ushers were Joseph Scheske, bride's brother, and John Petrosius, Twin Lakes, Wisconsin.

The reception was held at Renwood Country Club, Round Lake Beach.

The happy couple, who spent a week's honeymoon in Nassau, is at home in Winthrop Harbor.

The bride is a 1977 graduate of Antioch High School, an active member in PM and L, employed at the 1st Financial Savings and Loan of Hawthorn.

The groom is employed at J.I. Case, Racine.

## Theresians to meet June 25

The Theresians of Lake County will hold their monthly meeting on June 25, starting with a mass at St. Joseph's Church in Waukegan. The celebrant of the mass will be Father William O'Connell. A luncheon will follow at Ted's Log Cabin located at 1611 Belvidere in Waukegan. The guest speaker will be Father William O'Connell. Reservations can be made by calling Mary Hogan at 566-7153 or Elain Jares at 362-7498.

## Melius holds off Harris at Wilmot Speedway

Mike Melius, Random Lake, recovered from an early race spin to win his second SCRAM late model 25-lap feature in a row at Kenosha County Speedway June 18.

The race was interrupted on lap one when Chick Stolarik's car got up on the left-rear end of Tim Cox mount in turn three triggering several cars spinning and bumping. Neither driver was injured, however, Al Schill, Ray Nelson and Stolarik were forced out of action.

Gordie Seegert, Jr. took the lead on the restart and was really being pressured by Mike Conn.

THE YELLOW flag came out once again when Don Collins front tire blew and his steering went out as he went down the backstretch. Collins was struck in the front end by Hank Hovorka as the two cars flew toward turn three. Neither driver was injured, but both were out of action for the remainder of the night.

Seegert maintained the lead through another yellow flag on lap eight when Jack Aschenbrenner blew a tire, knocking him out of action.

Conn finally worked his way past Seegert on lap 11, however, his lead was short lived as Melius got by on the next lap and went on to win.

Heat winner Whitey Harris was second with Ted Dolhun, Seegert and Chuck Ostergaard rounding out the top five.

MELIUS BROKE his own one lap qualifying mark by turning a lap of :18.40. He established the mark for SCRAM late models at :18.75. He also won the fast heat for a clean sweep this week.

Wayne Welch and Mike Conn won their first heats with Gil Couillard beating Welch for his first semi-feature checkered flag.

Bill Prietzel, Franklin, won the 20-lap sportsman feature with fast qualifier and new one lap record holder Al Tietzen second, Lee Sohns third and Jeff Wasckiewicz fourth.

Tietzen set the new mark with a :20.55, eclipsing Wasckiewicz mark of :21.16 established a week ago.

JEFF BROOK and Greg Golubeff each won heats in their first night out.

Lyle Derler, Trevor, defending spectator cham-

pion, set fast time then won the 12-lap feature. Jim Pavlik was second with Rick Lawrence third.

Kim Mock and Pavlik won their first heats.
